```
graph BT; xSTATIC_TCB[xSTATIC_TCB] -.->|xDummy3| xSTATIC_LIST_ITEM[xSTATIC_LIST_ITEM];
```

The diagram illustrates a pointer relationship between two static variables. At the bottom, a gray rectangular box contains the text 'xSTATIC_TCB'. A dashed purple arrow points vertically upwards from this box to a white rectangular box at the top, which contains the text 'xSTATIC_LIST_ITEM'. The arrow is labeled 'xDummy3' in a light gray font, positioned to the right of the arrow's shaft.
