

xPortSysTickHandler

```
graph LR; A[xPortSysTickHandler] --> B[xTaskIncrementTick]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow. The left box, labeled 'xPortSysTickHandler', has a dark gray fill and a thin black border. The right box, labeled 'xTaskIncrementTick', has a white fill and a thin black border. A solid blue arrow points from the right side of the first box to the left side of the second box, indicating a function call or data flow.
