

vSVCHandler_C

```
graph LR; A[vSVCHandler_C] --> B[prvRestoreContextOfFirstTask]
```

A diagram showing a pointer relationship. On the left, a gray rectangular box contains the text 'vSVCHandler_C'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'prvRestoreContextOfFirstTask'.

prvRestoreContextOfFirstTask
